This letter is to verify that Kyle Cascioli, an adjunct instructor in the Burns School of Real Estate and Construction Management in DU's Daniels College of Business, is a research collaborator of mine in the Department of Anthropology. We work together on issues in contemporary urban anthropology. We have co-authored opinion pieces for *The Denver Post*, *Boulder Daily Camera*, *Fort Collins Coloradoan*, and *Pueblo Chieftain*. In 2011 we received a DU Institute for Enterprise Ethics grant to study "Front Range Urban Hydro-Sustainability." We promote our interdisciplinary work via two websites, *Contemporary Urban Anthropology* <http://www.contemporaryurbananthropology.com> and *Intercultural Urbanism* <http://www.interculturalurbanism.com>
